

**Attestation for the Use of EQUIPMENT in the Conduct of a Research Study  
Module G.E**

PI \_\_\_\_\_ IRB # \_\_\_\_\_

Name of protocol: \_\_\_\_\_

This applies to studies in which any equipment is used for the purpose of study conduct, ***even if the equipment is not investigational or standard.***

I attest to the following (check all that apply):

- The person(s) utilizing any study specific equipment (such as BP cuff, IV pumps, oximetry, exercise equipment, or more complex equipment) has been properly trained in its use and is acting within his/her scope of practice. I can produce certifications, credentials or other documentation of my/staff competency in the procedure(s) if asked.
- I will properly store equipment and perform calibrations according to manufacturer's guidelines.
